President Can Establish Prohibition Zone About Military Post If Deemed Needed

RULING TAKES SMILES OFF

Salodn Trade Falls Off Under

terday afternoon.

"It certainly is possible," Mr. Huber A despatch from Red Lodge, Monber replied. Then he brought out the law and pointed to the words "in-or fused to enswer the nation's call and

the army officials put it into opera-tion?" was asked.

"Hardly that, I think, but a recommendation from army heads here might go a long way toward bringing it, prohably would bring it. The President would hardly delegate any such broad authority but undoubtedly recommendation made to him by the army would have its influence. At the present time the law marely provides ent time the law merely provides, as put into operation here, against the selling of liquor to soldiers. Under the terms of the law the President can go much further if he deems it necessary

Should the President determine it necessary for the best interests of the army to establish a dry zone around army posts here, he has the power, according to Mr. Huber. Should he make that zone "a mile surrounding any army post" it would mean a dry Oahu. If it be found that despite the orders which have come here and which were put into operation Wednesday afternoon and evening soldiers are still getting liquor, either from saloons, wholesale houses or from 'boot leggers,'
there is more than a possibility and becomes a probability that the vourse of
such supply would be impossible to be supply would be in the passed.
